Ore Samayal - one kitchen, the whole family

7-day balanced South Indian plan · generated 25 Oct 2026

Family	4 adults; children aged 6; baby 8 months	**Diet**	non-vegetarian (egg, chicken, mutton, fish, prawn)
Adult targets	Protein ≥ 75 g/day · carbs ≤ 45% of energy · fibre ≈ 35 g · oil ≤ 4 tsp	**Plan result**	Protein 82-109 g · carbs 33-45% · 7/7 days on protein target
Allergies	none noted	**Cooking for**	4.75 adult portions (child 0.6, baby 0.15)

Every day: one whole fruit (no juice) · 12 g almonds + 8 g walnuts for adults · 100 ml milk · water, buttermilk or tender coconut water as drinks · baby portions lifted before salt and chilli.

Day 1 · Sunday

	Adults (lower-carb plate)	Children	Baby
Breakfast	Samai idli + Vegetable sambar + 2 boiled eggs	Same dishes, less chilli, full grain portion (2 boiled eggs: 1 egg)	Unsalted mini idli from the baby bowl, mashed into plain dal; no salt, sugar or honey
Lunch	Red rice (mappillai samba) (1 small katori) + Chicken kuzhambu + Beans-carrot poriyal (double portion) + Cucumber-carrot-onion salad + Curd (1 katori)	Same dishes, less chilli, full grain portion (Red rice: 1 full katori; Chicken kuzhambu: Half the adult protein, lifted before extra chilli)	Chicken boiled separately with turmeric, shredded fine; no salt, sugar or honey
4:30 snack	Black chana sundal (1 katori)	Same dishes, less chilli, full grain portion (Black chana sundal: ½ katori)	Whole legumes and nuts are a choking risk; give mashed fruit with curd; no salt, sugar or honey
Dinner	1 chapathi (only if hungry) + Pepper chicken dry (from lunch) + Cucumber-carrot-onion salad	Same dishes, less chilli, full grain portion (1 chapathi: 2 chapathi; Pepper chicken dry: Milder portion with 2 chapathi)	Lifted before chilli and salt, mashed; or sprouted ragi porridge with ghee; no salt, sugar or honey

Adult day: 1890 kcal · protein 109 g · carbs 183 g (39%) · fat 68 g · fibre 41 g **Fruit:** Apple **Drink:** Tender coconut water **Morning:** Jeera water
Tonight for tomorrow: Set curd for tomorrow

Day 2 · Monday

	Adults (lower-carb plate)	Children	Baby
Breakfast	Samai dosa + Peanut chutney + Egg podimas (2 eggs)	Same dishes, less chilli, full grain portion (Egg podimas: 1 egg)	Soft unsalted dosa strips; no salt, sugar or honey
Lunch	Ponni rice (1 small katori) + Keerai paruppu (spinach dal) + Cabbage-peas poriyal (double portion) + Cucumber-carrot-onion salad + Curd (1 katori) + Tomato rasam	Same dishes, less chilli, full grain portion (Ponni rice: 1 full katori; Keerai paruppu: Half the adult protein, lifted before extra chilli)	Dal and greens before tempering, mashed with rice; no salt, sugar or honey
4:30 snack	Sprouted moong salad (1 katori)	Same dishes, less chilli, full grain portion (Sprouted moong salad: ½ katori)	Whole legumes and nuts are a choking risk; give mashed fruit with curd; no salt, sugar or honey
Dinner	1 chapathi (only if hungry) + Paneer-capsicum bhurji (80 g) + Cucumber-carrot-onion salad	Same dishes, less chilli, full grain portion (1 chapathi: 2 chapathi; Paneer-capsicum bhurji: Milder portion with 2 chapathi)	Lifted before chilli and salt, mashed; or sprouted ragi porridge with ghee; no salt, sugar or honey

Adult day: 1913 kcal · protein 90 g · carbs 182 g (38%) · fat 81 g · fibre 46 g **Fruit:** Guava **Drink:** Buttermilk (moru) **Morning:** Sombu water
Tonight for tomorrow: Move tomorrow's fish from freezer to fridge · Set curd for tomorrow

Day 3 · Tuesday

	Adults (lower-carb plate)	Children	Baby
Breakfast	Multigrain seed toast + Tawa paneer cubes (50 g)	Same dishes, less chilli, full grain portion (Tawa paneer cubes: 25 g)	Crust-off toast fingers (seeds ground into the loaf); no salt, sugar or honey
Lunch	Brown rice (1 small katori) + Ayala (mackerel) kuzhambu + Pudalangai kootu (double portion) + Cucumber-carrot-onion salad + Curd (1 katori) + Tomato rasam	Same dishes, less chilli, full grain portion (Brown rice: 1 full katori; Ayala: Half the adult protein, lifted before extra chilli)	One piece steamed with turmeric, every bone removed; no salt, sugar or honey
4:30 snack	Roasted chana and peanuts (1 katori)	Same dishes, less chilli, full grain portion (Roasted chana and peanuts: ½ katori)	Whole legumes and nuts are a choking risk; give mashed fruit with curd; no salt, sugar or honey
Dinner	1 chapathi (only if hungry) + Moong dal tadka (1½ katori) + Cucumber-carrot-onion salad	Same dishes, less chilli, full grain portion (1 chapathi: 2 chapathi; Moong dal tadka: Milder portion with 2 chapathi)	Lifted before chilli and salt, mashed; or sprouted ragi porridge with ghee; no salt, sugar or honey

Adult day: 1754 kcal · protein 87 g · carbs 171 g (39%) · fat 74 g · fibre 33 g **Fruit:** Watermelon **Drink:** Cucumber-mint water **Morning:** Vettiver water
Tonight for tomorrow: Grind kambu idli/dosa batter tonight (3 millet : 1 urad); set the baby's bowl aside before salt · Soak rajma tonight; cook half extra for the snack sundal · Set curd for tomorrow

Day 4 · Wednesday

	Adults (lower-carb plate)	Children	Baby
Breakfast	Kambu dosa + Peanut chutney + Vegetable omelette (2 eggs)	Same dishes, less chilli, full grain portion (Vegetable omelette: 1 egg)	Soft unsalted dosa strips; no salt, sugar or honey
Lunch	Samai rice (1 small katori) + Rajma kuzhambu + Beetroot-beans poriyal (double portion) + Cucumber-carrot-onion salad + Curd (1 katori)	Same dishes, less chilli, full grain portion (Samai rice: 1 full katori; Rajma kuzhambu: Half the adult protein, lifted before extra chilli)	Rajma lifted before spices, mashed smooth (must be fully cooked); no salt, sugar or honey
4:30 snack	Boiled groundnuts (1 katori)	Same dishes, less chilli, full grain portion (Boiled groundnuts: ½ katori)	Whole legumes and nuts are a choking risk; give mashed fruit with curd; no salt, sugar or honey
Dinner	1 chapathi (only if hungry) + Egg bhurji with vegetables (2 eggs) + Cucumber-carrot-onion salad	Same dishes, less chilli, full grain portion (1 chapathi: 2 chapathi; Egg bhurji with vegetables: Milder portion with 2 chapathi)	Lifted before chilli and salt, mashed; or sprouted ragi porridge with ghee; no salt, sugar or honey

Adult day: 1897 kcal · protein 82 g · carbs 169 g (36%) · fat 89 g · fibre 40 g **Fruit:** Grapes **Drink:** Tender coconut water **Morning:** Lemon water
Tonight for tomorrow: Set curd for tomorrow

Day 5 · Thursday

	Adults (lower-carb plate)	Children	Baby
Breakfast	Kambu idli + Vegetable sambar + 2 boiled eggs	Same dishes, less chilli, full grain portion (2 boiled eggs: 1 egg)	Unsalted mini idli from the baby bowl, mashed into plain dal; no salt, sugar or honey
Lunch	Red rice (mappillai samba) (1 small katori) + Egg kuzhambu (2 eggs) + Vendakkai poriyal (double portion) + Cucumber-carrot-onion salad + Curd (1 katori)	Same dishes, less chilli, full grain portion (Red rice: 1 full katori; Egg kuzhambu: Half the adult protein, lifted before extra chilli)	Hard-boiled egg mashed, lifted before gravy; no salt, sugar or honey
4:30 snack	Karamani sundal (1 katori)	Same dishes, less chilli, full grain portion (Karamani sundal: ½ katori)	Whole legumes and nuts are a choking risk; give mashed fruit with curd; no salt, sugar or honey
Dinner	1 chapathi (only if hungry) + Chana masala (1½ katori) + Cucumber-carrot-onion salad	Same dishes, less chilli, full grain portion (1 chapathi: 2 chapathi; Chana masala: Milder portion with 2 chapathi)	Lifted before chilli and salt, mashed; or sprouted ragi porridge with ghee; no salt, sugar or honey

Adult day: 1953 kcal · protein 87 g · carbs 196 g (40%) · fat 79 g · fibre 48 g **Fruit:** Dragon fruit **Drink:** Buttermilk (moru) **Morning:** Athimathuram water
Tonight for tomorrow: Move tomorrow's prawn from freezer to fridge · Set curd for tomorrow

Day 6 · Friday

	Adults (lower-carb plate)	Children	Baby
Breakfast	Kambu vegetable uthappam + Onion-tomato chutney + 1 cup curd	Same dishes, less chilli, full grain portion (1 cup curd: ½ cup)	Soft unsalted uthappam pieces without onion; no salt, sugar or honey
Lunch	Ponni rice (1 small katori) + Prawn thokku + Beans paruppu usili (double portion) + Cucumber-carrot-onion salad + Curd (1 katori) + Tomato rasam	Same dishes, less chilli, full grain portion (Ponni rice: 1 full katori; Prawn thokku: Half the adult protein, lifted before extra chilli)	Plain dal rice mash instead; no salt, sugar or honey
4:30 snack	Kollu sundal (1 katori)	Same dishes, less chilli, full grain portion (Kollu sundal: ½ katori)	Whole legumes and nuts are a choking risk; give mashed fruit with curd; no salt, sugar or honey
Dinner	Thinai pongal, dal-heavy (1 katori) + Cucumber-carrot-onion salad	Same dishes, less chilli, full grain portion (No grain: 2 chapathi or 1 katori rice; Thinai pongal, dal-heavy: Milder portion with 2 chapathi)	Lifted before chilli and salt, mashed; or sprouted ragi porridge with ghee; no salt, sugar or honey

Adult day: 1637 kcal · protein 82 g · carbs 185 g (45%) · fat 56 g · fibre 35 g **Fruit:** Pomegranate **Drink:** Cucumber-mint water **Morning:** Ginger-cinnamon water
Tonight for tomorrow: Soak the adai / pesarattu dal mix tonight · Move tomorrow's mutton from freezer to fridge · Set curd for tomorrow

Day 7 · Saturday

	Adults (lower-carb plate)	Children	Baby
Breakfast	Pesarattu + Roasted-gram chutney + Egg podimas (2 eggs)	Same dishes, less chilli, full grain portion (Egg podimas: 1 egg)	Soft unsalted pesarattu pieces made before adding onion and chilli; no salt, sugar or honey
Lunch	Brown rice (1 small katori) + Mutton kuzhambu + Cauliflower poriyal (double portion) + Cucumber-carrot-onion salad + Curd (1 katori)	Same dishes, less chilli, full grain portion (Brown rice: 1 full katori; Mutton kuzhambu: Half the adult protein, lifted before extra chilli)	Mutton pressure-cooked plain, shredded very fine; no salt, sugar or honey
4:30 snack	Black chana sundal (1 katori)	Same dishes, less chilli, full grain portion (Black chana sundal: ½ katori)	Whole legumes and nuts are a choking risk; give mashed fruit with curd; no salt, sugar or honey
Dinner	1 chapathi (only if hungry) + Mutton pepper fry (from lunch) + Cucumber-carrot-onion salad	Same dishes, less chilli, full grain portion (1 chapathi: 2 chapathi; Mutton pepper fry: Milder portion with 2 chapathi)	Lifted before chilli and salt, mashed; or sprouted ragi porridge with ghee; no salt, sugar or honey

Adult day: 2028 kcal · protein 104 g · carbs 167 g (33%) · fat 97 g · fibre 41 g **Fruit:** Papaya **Drink:** Tender coconut water **Morning:** Thulasi water

Grocery list - week 1

Scaled to the whole household; meat and fish shown as bought (bone and trim included). Buy perishables twice a week.

Milk, toned - 11 L (includes setting curd)	**Ghee** - 50 g	**Cooking oil** - 700 ml
Whole-wheat flour (atta) - 1.25 kg	**Brown rice, raw** - 400 g	**Sorghum flour (jowar)** - 50 g
Pearl millet (kambu) - 500 g	**Rolled oats** - 50 g	**Finger millet flour (ragi)** - 50 g
Red rice (mappillai samba), raw - 400 g	**White rice, raw** - 450 g	**Little millet (samai)** - 500 g
Foxtail millet (thinai) - 150 g	**Almond** - 400 g	**Coconut, fresh grated** - 2 coconuts
Flaxseed - 50 g	**Groundnut** - 400 g	**Pumpkin seed** - 50 g
Sesame seed - 50 g	**Walnut** - 250 g	**Chicken (as bought)** - 1.75 kg
Egg, whole - 67 eggs	**Indian mackerel (ayala) (as bought)** - 950 g	**Mutton (as bought)** - 1.5 kg
Paneer - 650 g	**Prawn, raw (as bought)** - 950 g	**Black chickpeas (kala chana)** - 350 g
Bengal gram dal (chana dal) - 100 g	**Black-eyed peas (karamani)** - 200 g	**Horse gram (kollu)** - 200 g
Moong dal, split - 450 g	**Whole green moong** - 500 g	**Kidney beans (rajma)** - 250 g
Roasted gram (pottukadalai) - 250 g	**Pigeon pea dal (toor)** - 600 g	**Black gram dal (urad)** - 400 g
Chickpeas (kabuli) - 250 g	**French beans** - 1.75 kg	**Beetroot** - 500 g
Cabbage - 800 g	**Capsicum** - 250 g	**Carrot** - 500 g
Cauliflower - 900 g	**Leafy greens (keerai)** - 2 bunches	**Okra (vendakkai)** - 900 g
Onion - 4 kg	**Green peas** - 200 g	**Salad vegetables** - 8.5 kg
Tomato - 4 kg	**Mixed vegetables** - 2.75 kg	**Apple** - 5 portions
Guava - 5 portions	**Watermelon** - 5 portions	**Grapes** - 5 portions
Dragon fruit - 5 portions	**Pomegranate** - 5 portions	**Papaya** - 5 portions
Instant yeast - 1 sachet (makes 1 multigrain loaf)	**Sprouted ragi flour (baby porridge)** - 250 g	

Recipe cards (only the dishes in this plan)

Quantities in the plan are per adult; multiply by the household's adult portions. Poriyal and kootu work with any vegetable in season.

Millet idli (batter)
1. Soak 3 parts millet and 1 part urad separately 4-6 h
2. Grind urad fluffy, then millet; mix; set baby bowl aside before salt
3. Ferment 8-12 h; steam 10-12 min

Chicken kuzhambu
1. Marinate chicken in curd, turmeric and salt for 20 min; set aside the baby's pieces to boil plain
2. Saute onion, tomato, ginger-garlic in oil; add chicken, 2 tbsp kuzhambu powder and ground coconut-poppy paste; cook 20 min
3. Set aside 1 piece per adult before adding the gravy, for the dinner pepper fry

Curd
1. Home-set curd from toned milk, set the night before

Pepper chicken dry
1. Saute onion and curry leaves in 1 tsp oil; add the reserved lunch chicken
2. Add 1 tsp crushed pepper and ½ tsp fennel powder; dry-roast 8 min until coated

Egg podimas
1. Saute onion, green chilli and curry leaves in 1 tsp oil
2. Add beaten eggs with turmeric and salt; scramble until just set; finish with pepper and coriander

Sprouted moong salad
1. Soak green moong 8 h, drain, tie in a cloth 12-24 h to sprout
2. Toss with cucumber, carrot, onion, lemon and pepper; steam 3 min for children

Tawa paneer cubes
1. Cut paneer into fingers, rub with turmeric, pepper and salt
2. Sear on a hot tawa with ½ tsp oil, 1 minute a side

Roasted chana and peanuts
1. Mix roasted gram and roasted peanuts; a pinch of chilli powder for adults

Rajma kuzhambu
1. Pressure-cook the soaked pulse until very soft (rajma 6-8 whistles; karamani or kollu 4-5)
2. Saute onion and tomato in 1 tsp oil with ginger-garlic, add 1 tbsp kuzhambu powder and tamarind water, boil 5 min
3. Add the cooked pulse, simmer 10 min. Keep 1 katori of plain cooked pulse aside for the evening sundal

Vegetable sambar
1. Cook toor dal with turmeric, 4-5 whistles
2. Simmer vegetables in tamarind water with sambar powder 10 min
3. Add dal and salt, boil 5 min, temper

Beans-carrot poriyal
1. Wash and chop the vegetable small; temper 1 tsp oil with mustard, urad dal and curry leaves
2. Add the vegetable with a pinch of turmeric and salt, sprinkle water, cover and cook on low until just soft
3. Finish with 1 tbsp grated coconut. Lift the baby's and child's portion before any chilli

Black chana sundal
1. Use pulse cooked soft (soak overnight, pressure-cook 4-5 whistles)
2. Temper mustard, curry leaves and a dry chilli in 1 tsp oil; toss in the pulse with salt and grated coconut

Millet dosa
1. Use the 2nd-day millet batter at room temperature; thin with a little water
2. Spread thin on a hot tawa, ½ tsp oil around the edge, cook one side until crisp

Keerai paruppu
1. Pressure-cook toor dal with turmeric, garlic and tomato
2. Cook chopped spinach 3 min in the dal; mash. Lift the baby's portion, then add salt and a cumin-garlic tempering

Paneer-capsicum bhurji
1. Saute onion, capsicum and tomato in 1 tsp oil with turmeric and cumin
2. Crumble paneer in, cook 3 min; finish with pepper and coriander

Ayala
1. Boil tamarind water with sauteed shallots, tomato, garlic and 2 tbsp fish-curry powder for 10 min
2. Slide in the mackerel pieces, simmer 6-8 min without stirring. Steam the baby's piece separately and debone

Moong dal tadka
1. Pressure-cook moong dal with turmeric and tomato
2. Temper ghee or oil with cumin, garlic, onion and red chilli; pour over

Boiled groundnuts
1. Pressure-cook raw groundnuts in their shells with salt, 3 whistles

2 boiled eggs
1. Boil 10 min, cool in water, peel; sprinkle pepper and salt

Cucumber-carrot-onion salad
1. Cucumber, carrot, onion and tomato with lemon, pepper and a pinch of salt

1 chapathi
1. Atta dough with water and a pinch of salt; rest 20 min
2. Roll thin; cook on a hot tawa, brush ½ tsp oil

Peanut chutney
1. Dry-roast peanuts, peel; grind with coconut, a small piece of tamarind, 1 dry chilli and salt
2. Temper with mustard and curry leaves

Tomato rasam
1. Boil tamarind water with tomato, rasam powder, garlic and a spoon of dal water
2. Remove at first froth; temper with ghee, mustard and cumin

Multigrain seed toast
1. Loaf (16 slices): 325 g atta, 50 g oats, 50 g ragi, 25 g jowar, 50 g roasted-gram flour, 15 g each ground flax and sesame, 25 g ground pumpkin seed, 7 g yeast, 6 g salt, 30 ml oil, about 330 ml warm water
2. Knead 10 min, rise 1 h, shape into a 9x5 inch tin, rise 45 min, bake 35 min at 200 °C; cool fully before slicing
3. Toast 1 slice per adult; freeze slices for the week

Pudalangai kootu
1. Any watery vegetable: snake gourd, bottle gourd, chow-chow or ash gourd
2. Cook the vegetable with moong dal and turmeric; add ground coconut-cumin-green chilli; simmer 3 min; temper

Vegetable omelette
1. Beat eggs with chopped onion, tomato, spinach and salt
2. Cook in a non-stick pan with a few drops of oil, fold and serve

Egg bhurji with vegetables
1. Saute mixed vegetables 5 min
2. Add beaten eggs, scramble with salt and pepper

Egg kuzhambu 1. Boil eggs, peel and slit 2. Simmer in onion-tomato-tamarind gravy with kuzhambu powder and coconut paste for 8 min	**Vendakkai poriyal** 1. Dry the okra fully, slice into rounds 2. Saute in oil on high, uncovered, 10-12 min with turmeric and salt; finish with coconut	**Chana masala** 1. Pressure-cook soaked white chana 6 whistles 2. Simmer in onion-tomato masala with chana masala powder for 10 min
Millet uthappam 1. Use the 3rd-day (slightly sour) batter; pour a thick 1 cm round 2. Top with grated carrot, onion and coriander, cover and cook both sides on medium	**Onion-tomato chutney** 1. Saute onion, tomato and urad dal in oil until soft; cool 2. Grind with a dry chilli and salt; temper	**1 cup curd** 1. 1 cup home-set curd
Prawn thokku 1. Saute onion and tomato in oil until thick; add chilli, coriander powder and pepper 2. Add cleaned prawns and cook 5-6 min until curled. Adults and older children only	**Beans paruppu usili** 1. Soak toor and chana dal 1 h, grind coarse with chilli, steam 10 min, crumble 2. Toss with steamed chopped beans in a mustard tempering for 5 min	**Thinai pongal, dal-heavy** 1. Cook thinai and moong dal SEPARATELY in two cooker containers (1:3 water), with vegetables in the dal 2. Temper ghee with pepper, cumin, ginger and curry leaves; adults take 1 small katori thinai + 2 katori dal-veg
Pesarattu 1. Soak whole moong and 2 tbsp rice overnight 2. Grind with ginger, chilli, cumin; no fermentation 3. Spread thin, top with onion	**Roasted-gram chutney** 1. Grind roasted gram, coconut, a small piece of ginger, 1 green chilli and salt with water 2. Temper with mustard and curry leaves	**Mutton kuzhambu** 1. Pressure-cook mutton with turmeric, salt and ginger-garlic, 6-7 whistles; lift the baby's portion now 2. Make the onion-tomato masala with kuzhambu powder and coconut paste, add the mutton and stock, simmer 15 min 3. Set aside the dinner pepper-fry portion before adding the gravy
Mutton pepper fry 1. Fry onion and curry leaves; add the reserved cooked mutton 2. Add crushed pepper, fennel and a little garam masala; roast dry 10 min		

Safety notes

- Estimates use approximate food-composition values; real meals vary by 10-15%.
- Baby: breast milk or formula stays the main food; 2-3 meals a day at 6-8 months, 3-4 at 9-11 months (WHO).
- Baby: no honey, salt, sugar, juice, tea or cow's milk as a drink before 12 months (NHS, CDC).
- Baby: grind nuts and seeds; mash legumes; remove every fish bone; skip sardines and prawns.
- Children keep full grain portions; carb reduction applies to adults only.
